## MIDDLE SCHOOL

Dear Parents and Guardians,

Welcome to the new school year!

A new school year is always exciting and this year is no different. As your principal, it is my goal to provide all students with educationally challenging and rewarding experiences while they are here. Academic emphasis on the core content areas of reading, language arts, math, science, and social studies will remain a priority as well as providing a learning program that builds on each year to reach local and state standards. Instruction in athletics, music, art, band, orchestra, choir, physical education, keyboarding/tools for learning, computer lab, and intervention complete our program providing each student with the opportunity to develop areas of interest and skill.

The vision for our school: **"To provide a welcoming environment, conducive to learning, where students can excel."** We want our students to be the best they can be and by providing the right educational environment where our students can strive for excellence, they will continue to learn and improve throughout the year.

We hope you find the parent guide a useful tool that provides essential information pertaining to our school.

Once again, welcome to the new school year. We will do all we can to make it a great one and we know you will, too.

Sincerely,

Christi Parrish  
Principal, Simon Middle School

## **DROPPING OFF YOUR STUDENT AT SIMON**

We want to keep all of our students safe here at SMS; therefore, we ask that you follow our traffic procedures as well as any and all traffic laws when dropping off or picking up your child.

## **MORNING DROP-OFF PROCEDURES**

Enter the driveway from Bill Lucy Dr. and follow the arrows around to the front of the school. Pull forward to the DROP OFF HERE sign. This is the appropriate area to let your child exit the car and walk up the sidewalk toward the bus loop. They will enter the building at the cafeteria lobby.

## **AFTERNOON DROP-OFF PROCEDURES**

There are two options when picking up students.

1. Enter the driveway from Bill Lucy Dr. and follow the arrows around to the front of the school. Pull forward as closely to the sign that reads DROP OFF HERE. Your student will approach your car as the line moves forward. We do not allow students to enter a car that is not between the crosswalk and the sign for safety reasons.
2. Enter the driveway from Bill Lucy Dr. and turn immediately left into the parking lot. Park and walk to the cross-walk and we will release your child to you. As the year progresses, it may be feasible to park and have your child released to you without having to meet them at the crosswalk.

For your student's safety, we do not allow parents to drop off or pick up at any other parking lot in the school or in the bus loop. If your schedule does not allow you to wait in line, it is suggested you bring your child to school before 8:00 a.m. and pick up your child after 3:30 p.m.

## **BICYCLE/SCOOTER USE**

Students who ride bikes or scooters to school are responsible for securing their vehicles in the rack located in the front of the school. Students are expected to follow all safety regulations pertaining to safe operation. **STUDENTS MAY NOT RIDE BIKES OR SCOOTERS ON THE SCHOOL CAMPUS GROUNDS.**

## **MORNING EXPECTATIONS**

**Arrival at school:** All students will report to the cafeteria upon arriving to school if it is before 8:00. Students who will eat are to proceed directly to the breakfast line and then take a seat in the cafeteria. Students will need to remain seated at the tables until they are dismissed to their classroom lines/tables.

Students who will not eat will do as follows; 5<sup>th</sup> graders will be seated on the floor by the windows, 6<sup>th</sup> graders will be seated on the stage, and 7<sup>th</sup> graders will be seated in the bleachers. Students are to take a seat immediately upon entering and remain there until dismissed.

**Students must remain in the cafeteria until dismissed. All students will be dismissed by teachers and/or administrators to go to their first period class.**

## **SIGNING IN AND OUT OF SCHOOL**

***ANYTIME AFTER 8:10 AND BEFORE 3:19 A PARENT MUST SIGN IN/OUT THEIR STUDENT IN THE OFFICE.*** When a student is late (after the 8:10 bell has rung) to school, he/she will receive a tardy admit to class. All tardies are considered to be **unexcused** unless a doctor, dentist, or counseling appointment card (or excuse) is presented. A student is allowed **four** tardies per semester before being referred to the office. We discourage parents from signing students out of school for appointments unless it is during study hall. Calling a student out of a class disrupts the entire class and should be avoided if possible. A parent may only sign out his/her child.

1. Notes will **NOT** be accepted for sign-in/sign-out purposes. **A parent must sign in/out their child in the office.**
2. Any student signing in from a medical or court-ordered appointment must have official documentation in order for it to be excused.

## **TARDIES**

Tardies are disruptive to the classroom. Students should be seated by the time the tardy bell sounds. When a student has been tardy four (4) times per semester, per class, his/her name will be sent to the office for disciplinary action. When a student is tardy to first period, he/she must report to the school office for a tardy admit. **ANYTIME AFTER 8:10 A PARENT MUST SIGN IN THEIR STUDENT IN THE OFFICE.**

---

## **ABSENCES**

Education is more than the grades students receive in their courses; therefore, students' regular attendance at school is essential to their academic, social and cultural development. We do understand that some absences cannot be avoided. If your child is out for an extended period, upon day four (4) it is suggested that you e-mail our counselor who will organize the work for you to pick up. [stacksp@conwayschools.net](mailto:stacksp@conwayschools.net)

## **SECURITY**

All Conway Public Schools' front doors are locked during the school day. In order to enter Simon, you must press the outside speaker button located on the right side of the office door to speak to and/or be let in by Simon personnel.

A Student Resource Officer (SRO) provides extra security to our students and faculty.

ZAP, is a SMS initiative to provide students motivation to complete their homework and classroom assignments on time, which in turn will improve their academic performance.

This document will be his/her pass to have a working lunch to complete their assignment. The work will then be turned in so that some credit can be earned.

Drawstring bags/purses are to be used for personal items and are not for the purpose of carrying binders/classroom books.

## **LOCKERS**

Students will have the option of renting a locker this school year. There will be a \$5 rental fee for any student who desires to have a locker. Outside visitors must adhere to Conway Public Schools Visitor Procedural Guidelines and Board Policy.

## **6.12—PARENTAL/COMMUNITY INVOLVEMENT**

Conway District Schools that accept and use Title I funds understand the importance of involving parents and the community as a whole in promoting higher student achievement and general good will between the school and those it serves. Therefore, Conway Public Schools shall strive to develop and maintain the capacity for meaningful and productive parental and community involvement that will result in partnerships that are mutually beneficial to the school, students, parents, and the community. To achieve such ends, the school shall work to

1. Involve parents and the community in the development and improvement of Title I programs for the school;
2. Have a coordinated involvement program where the involvement activities of the school enhance the involvement strategies of other programs such as Head Start, HIPPPY, Parents as Partners, ABC, ABC for School Success, area Pre-K programs, and Even Start;
3. Explain to parents and the community the State's content and achievement standards, State and local student assessments and how the school's curriculum is aligned with the assessments and how parents can work with the school to improve their child's academic achievement;
4. Provide parents with the materials and training they need to be better able to help their child achieve. The school may use parent resource centers or other community based organizations to foster parental involvement and provide literacy and technology training to parents;
5. Educate school staff, with the assistance of parents, in ways to work and communicate with parents and to know how to implement parent involvement programs that will promote positive partnerships between the school and parents;
6. Keep parents informed about parental involvement programs, meetings, and other activities they could be involved in. Such communication shall be, to the extent practicable, in a language the parents can understand;
7. Find ways to eliminate barriers that work to keep parents from being involved in their child's education. This may include providing transportation and child care to enable parents to participate, arranging meetings at a variety of times, and being creative with parent/teacher conferences;
8. Find and modify other successful parent and community involvement programs to suit the needs of our school;
9. Train parents to enhance and promote the involvement of other parents;
10. Provide reasonable support for other parental involvement activities as Parents may reasonably request.

To help promote an understanding of each party's role in improving student learning, Conway Public Schools that accept and use Title I funds shall develop a compact that outlines the responsibilities of parents, students, and the school staff in raising student academic achievement and in building the partnerships that will enable students to meet the State's academic standards.

Conway Public Schools that accept and use Title I funds shall convene an annual meeting, or several meetings at varying times if necessary to adequately reach parents of participating students, to inform parents of the school's participation in Title I, its requirements regarding parental involvement, and the parents right to be involved in the education of their child.

Conway Public Schools that accept and use Title I funds shall, at least annually, involve parents in reviewing the school's Title I program and parental involvement policy in order to help ensure their continued improvement.

This policy shall be part of every school improvement plan for Conway Public Schools that accept and use Title I funds and shall be distributed to parents of students to the extent practicable, in a language the parents can understand.
